

## **Supervisor Matt Letourneau's Statement on Retirement of Congressman Frank Wolf**

Loudoun County Supervisor Matt Letourneau (R-Dulles) issued the following statement regarding Congressman Frank Wolf's announcement today that he will not be seeking an 18th term in the U.S. House of Representatives:

"Congressman Wolf has been a tireless advocate for Northern Virginia and for Loudoun County. In the coming year, we will have time to reflect on his significant legacy, which includes the expansion of Metro to Loudoun and numerous other projects which have benefited our citizens. In his statement today, Congressman Wolf cited his desire to continue his work on human rights and religious freedom--issues for which he has rightfully become a globally recognized leader. I was proud to have Congressman Wolf's support during my campaign for Supervisor in 2011 and look forward to working with him and his staff during his final year in the House."
